Subject: 2019 National Monitoring Conference: Six Weeks Away!

California Water Quality Monitoring Council

11th NATIONAL MONITORING CONFERENCE

Working Together for Clean Water

■ March 25 - 29, 2019 ■ Denver, Colorado

The 11th National Monitoring Conference (NMC) is only 6 weeks away! Below are important deadlines and updates that have been posted on the [NMC registration page](#).

- **The early bird registration is extended to March 1st.** Considering many federal partners lost needed planning time due to the partial government shutdown, we are providing everyone more time to receive the best deal on registration!! The regular registration fee deadline continues to be March 15th. Onsite registration will also be available.
- **Fluid 5K Run.** Remember to register with your conference registration. Proceeds fund the Eleanor B. Memorial Scholarship to help volunteer monitoring coordinators (or others in need) attend future National Monitoring Conferences.
- **Hotel Reservations.** The "cut-off date" for reserving rooms at [Sheraton Downtown Hotel](#) at the conference rate continues to be 5:00 p.m. MST on February 21.
- **The preliminary agenda is now available** to assist you in making your travel arrangements. Updated agendas will be provided as they become available.
- **Register for field trips and workshops by March 15th.** Interested in learning more about local riparian restoration projects, USGS next generation field methods, or water conservation efforts at the Denver

Zoo? We have you covered! Check out these and several other field trips the will be offered during t week of the conference. Note: some have additional registration fees to cover transportation and/or fees.
